CAPO 1: ||C // /G// //Am// //F// //C// //G// //F// // / / / / ||

## Chorus

C G Am F C Dm G  
We can choose to be nice, and also to be great. We can choose to use a neural net, we can choose our fate  
C G Am G F C Dm G  
We can choose a ready guide In some celest-ial voice. If we choose not to decide, we still have made a choice  
F C G E7/G# Am G F N.C. C N.C. G C  
We can choose to be bold, choose not to be re-served There are, many futures - we'll get the one that we deserve

## Verse 1

C G/B Am F  
Waiting days, Beds in hall-ways, A mother holding hope in line A nation losing borrowed time  
C G/B  
But there's signal in the snow, A way to see where care should go  
Am F G N.C.  
Not magic or hope or miracles, Just courage to rebuild the stack, from first, principles.

## Chorus

C G Am F C Dm G  
We can choose to be nice, and also to be great We can choose to use a neural net, we can choose our fate  
C G Am G F C Dm G  
We can choose a ready guide In some celest-ial voice If we choose not to decide we still have made a choice  
F C G E7/G# Am G F C G N.C. C  
We can choose to be bold, choose not to be re-served There are, many futures - we'll get the one that we deserve

## Verse 2

G  
In a classroom small and bright, A child sounds the words just right,  
Am F  
Teacher and A.I. find the hidden need And ev'ry learner finds their speed.  
C G Dm F G  
Blackened forests burn, Sensors wake, engines turn, Before smoke can own the sky Swarm, verify

## Chorus

N.C.  
We can choose to be nice, and also to be great. We can choose to use a neural net, we can choose our fate  
C G Am G F C Dm G  
We can choose a ready guide In some celest-ial voice If we choose not to decide, we still have made a choice  
F C G E7/G# Am G F C G N.C. C  
We can choose to be bold, choose not to be re-served There are, many futures - we'll get the one that we deserve

## Verse 3

Am F  
Northern seas open air, Quiet signals whisper there  
C G  
Learn to see, Learn to know Before the shadows cross the snow  
Am F  
And on the streets where cold winds blow A name a key a path back home  
C G  
Not, just shelter not just plans But dignity in human hands\_\_\_\_\_.

**Bridge**

C Am F  
Moonshot — a nation of builders and dreamers people who care,

C G  
 See the impossible and choose to go there

C G Am  
Moonshot — too hard too expensive too cold too hot

F G  
 From a country of why\_\_\_ to a country of why not

**Chorus**

N.C. F G  
We can choose to be nice, we can choose to raise our voice If we choose not to decide, we still have made a choice

F C G Am G F C G Am  
We can, choose our path, the future's not re-served There are, many paths - we'll get the one that we deserve

G F C G C Am G F G  
We can, choose to use a neural net, we can choose ou-r fate

F N.C. C N.C. G N.C. N.C. FCFCFC C\_\_\_\_||
